

National Indicator Fraternity

Oregon ASA is proud to have 42 umpires who have earned membership in ASA's National Indicator Fraternity (NIF). There are currently 2,212 members certified with the National Indicator Fraternity (NIF), with approximately 100-125 added annually. It is a select group, considering that there are nearly 50,000 umpires nationwide. Names are permanently displayed in the National Hall of Fame, printed annually in the ASA Case Book and listed on the Official ASA Web site.

To be honored into the NIF, an umpire must have been an ASA registered umpire for at least seven (7) years, but does not have to be currently active. The umpire must have worked in at least three (3) national tournaments either as an umpire or as a UIC or assistant UIC. An advance national school will also count as one of the national tournaments. If you are a Oregon ASA registered umpire who meets the above qualifications, please fill out an application form.

The Oregon ASA umpires who have achieved this honor are as follows:

Year	Name	Hometown	Association
2008	Roeger Paul	Milwaukie, OR	Oregon ASA
2007	Don Alexander	Prospect, OR	Oregon ASA
