

Umpire Medals Program

Oregon ASA is proud to have 49 umpires as members of the ASA Medals program. The Medals program, which began in 1999, honors ASA umpires for their years of service to ASA. There are four levels for this program - the Blue level for those who have been registered for three years, the Bronze level for those who have umpired ASA for seven years (or five years and worked a state/metro tournament), the Silver level for those who have umpired for fifteen years (or seven years and three national tournaments) and the Gold level for those who have umpired for 20 years (or seven years and three national tournaments, two of which must be the Men's or Women's Major Fast Pitch, Men's or Women's "A" Fast Pitch, Girls 18U Gold Fast Pitch, Men's Masters 40 & Over Fast Pitch, Men's Super Slow Pitch, Men's, Women's or Men's Industrial Major or "A" Slow Pitch, Men's Major 16" Slow Pitch, Armed Forces Championship, Men's or women's Major Modified, and the Men's "A" Modified). An umpire may register for multiple levels.

There are 5536 umpires registered in the program at various levels. The cost is \$20 for each level, and the umpire receives a cap, certificate and pin symbolic of the level achieved. The names of new Medals winners are printed annually in the ASA Case Book and all Medals winners names are listed at the ASA Hall of Fame in Oklahoma City, OK and on the ASA Web Site. If you are a registered Oregon ASA umpire who meets the above qualifications, please download the ASA Medals Application Form.
